To Whom It May Concern,

Mr. CHONG Man Hin is a smart student in the class with excellent learning attitude. His grades have been consistently at the top level in this programme. During the academic years in this programme, he won several awards and scholarship, sponsored by different organizations, to demonstrate his exceptional performance.

Mr. CHONG has been actively participating in extra-curricular activities to contribute to the campus and industry and to enrich his personal development:

- External Vice President: American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE) IVE Student Branch (2020/21)
- Chairman: IVE – Morrison Hill Engineering Society (2021/22)
- Committee member: HKIE BSE Students Liaison Group (2021/22)

With his superior academic performance and dedicated participation in extra-curricular activities, Mr. CHONG is expected to be a valuable member in the building services engineering industry. I am more than pleased to recommend him for admission to your university programme.

Yours faithfully,
